**Subject:** COVID-19 Outbreaks 5.19.20  
**Attachments:** COVID-19+Outbreaks+5.19.20.xlsx

[Please click here to acknowledge receipt of this message](#)

In an effort to help local health departments better link their COVID-19 cases to known outbreaks, this spreadsheet provides the names of all known facilities in the state with outbreaks. As needed, please share this list only with your local health department staff that are actively investigating cases of COVID-19. **Please do not distribute this list further and please do not make the names of facilities outside of your county known publicly.**
